First and foremost we would like to thank all of the support received by our family during this time. We appreciate the love, support, and prayers received.

A special thanks to the Washington Redskins, University of Miami, the Jackson Ryder Trauma Unit doctor's and staff for all their endless efforts in the fight for Sean's life. It is with deep regret that a young man had to come to his end so soon. Many of his fans loved him because the way he played football. Many of his opponents feared him the way he approached the game. Others misunderstood him, many appreciated him and his family loved him. I can only hope and pray that Sean's life was not in vain that it might touch others in a special way.

Thanks to all the many, many fans, teammates, and just football fans across the world. I can truly say that for the twenty four years that Sean has been in my life I have truly had a great time as a son, friend, parent, a brother, and father.

Our family would like to send a shout out to extend our deepest appreciation to each and every one. Also the media and how they have honor Sean for the man he was.
