Subject: RESIGNATION

It is with great sadness that I regret to inform you of my recent decision and to resign from the office. Thus, I hereby formally submit my written resignation from the State Attorney's Office. It has been an exciting time. I am sure that nothing that I will do in the legal arena in the future will compare to the fun and exhilaration that I have experienced over the course of the past several years here.

I hope that our paths will cross again in the future and until then, may you continue to prosper and excel as you continue to "fight the good fight" and "wage the good warfare" against crime in our community. While our efforts as prosecutors are rarely monetarily compensated in just proportion to the excellent service that we provide in and for the community, the struggle for good and against evil is a reward that surpasses any mere monetary quantification. It is that struggle that I will miss most.

with warmest regards

Herb

Herbert Erving Walker, III
