Re: Letter of Resignation

Dear Dr. Snipes:

I have been advised by the State Attorney's Office that they intend to file criminal charges against me this date.

I intend to vigorously defend myself against these charges and see myself vindicated in court. To do so; however, will require that I devote myself full-time to working to prove my innocence in the months ahead. This, combined with my debilitating illness, will require every measure of physical and emotional strength I can muster to focus on meeting this critical challenge and will necessarily prevent my ability to devote my full energy and concentration to the citizens of my district. For that reason, I regret that I must tender my resignation as Broward County Commissioner District 8, effective immediately.

It has been an honor and a privilege to serve the residents of Broward County, and I wish you all the best.

Respectfully submitted,
